

Graphic Template  
10 x 10 Inline Exhibit  
Backwall with Flat, Rectangular Panel – Backlit SEG Fabric Graphic

For white or light-colored graphics, we recommend including a dark border to minimize any possible shadowing that may occur near the edge of the frame.

Dark-colored graphics do not require a border.

2" minimum recommended border width.

NOTE: All Raster Art (jpg, tiff, psd, png, etc.) must be at least 100 dpi at print size.

Standard kits are often customized. Please check with Customer Service to ensure that this template matches your specific job.
